

Biology: Animal Biology concentration

This page is subject to change as courses are added, cancelled, or adjusted.

Courses with the statement 'Will Require a PERMIT' next to them will require you to [submit a permit](#) in order to register for the course.

Please keep in mind, other courses may still require a permit if there is an error in the system out of our control.

Summer 2024 Classes

Animal Biology Restricted Electives:

Biology Majors with the Animal Biology concentration **MUST** complete a minimum of 9 credit hours from the below list to meet graduation requirements.
