**II.   New Business – Strategic planning. New Business – Information Items s   M
eted issue, recogni | ing that it reflects the divers of the campuses and will be an
discussion. She applauded the student government presidents for showing an incredible
collaboration and e ampled the differences on each campus as well as potential
moving forward. Dr. Gregor { Teague gave an overvie various strategic planning
s and how the new goals and objectives would fit into the ongoing planning. Ms. Sei z as
d b { noting their third final hearing is schedule for October 2 and will focus on
governance and general education re s uirements.**

**iffin provided an overview of the Student Success, Academic R rograms and Campus
subcommittee ø s hearing on August 28**

**[th] in Sarasota / Manatee. The hearing highlighted
the demands from a labor market perspective for each of the communities, giving the committee
a better idea of where academic programs could be located in ponse to area need. From those
presentations, the subcommittee charged the Huron consultant o prepare some initial
recommendations for an academic structure for õ one ö USF. The committee asked Huron to
benchmark against universities i the state of Florida, but al speer and aspirational peer
universities throughout the countr { .**

**On September 1th, the Student Success, Academic R rograms and Campus Identit {
subcommittee met again to discuss the initial proposal produce d { Huron. The goal was to**
