. The council asked that, for transparency purposes, a statement be added explaining that students will be informed that USF keeps a database with names of students with any level 2 or above violations ±with or without grievances filed. The council also requested clarity regarding who "owns" the list, how exactly it works, and how faculty are to handle stays informing the students about it one to provide estio their students. It was suggested that a new, separate, procedural document be drawn up to more fully explain the reporting all sections
